

Date of the meeting: Zixiao Ren

Note taker: Oct 7th, 2022

Review:

Went over the general idea of the Youtube Analysis Tool

Update previous commitments:

A1 document is generated. The description of the previous ideas, the design of the tech stack, and the GitHub link are added to the document.

Discussions we had today:

- Contents still need to be added to the A1 document
 - Feature details of our project
 - Detailed planning of each milestone

Decisions we need to make today:

- Tasks need to be finished today
 - Both: work on the document of A1 together
 - Zixiao
 - Add more detailed explanations in the A1 document
 - Qiming
 - Write GitHub Readme
 - Add GitHub Issues based on the Milestone
